RE: Completion of Self Transition for Lawrence County Board of Education WNC210
Transition of the 2500-2690 MHz Band for BRS and EBS
Transition Area: BTA Number 314: Nashville, TN

Dear Ms. Dortch:

Lawrence County Board of Education ("Lawrence County") hereby notifies the Commission that Lawrence County had previously filed a notice of self-transition with the Commission on March 16, 2009 for WNC210 in Basic Trading Area ("BTA") Number 314: Nashville, TN. Clearwire completed the transition for BTA 314 pursuant to the notice Clearwire filed with the Commission on February 15, 2008 but WNC210 was not included in the transition due to the status of the license at that time. Lawrence County hereby notifies the Commission that its license has been transitioned and is hereby simultaneously filing the necessary modification application with the Commission to complete the transition.
